

# Lotting, Setup & Pickup

## Crystal

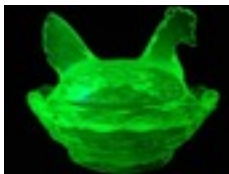

- Lalique
- Waterford
- Steuben
- Swarovski
- Tiffany & Co.
- American Brilliant Cut Glass- these pieces are sometimes hard to identify however if you ever see names like Tuthill or Hawkes acid etched into a piece these are good makers and worth lotting by themselves.

## Glassware

- Fenton
- Carnival Glass- reference pictures below

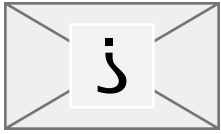

- Imperial
- Anchor Hocking- in groupings
- Vaseline or Uranium Glass- this is the glass that glows under blacklight

- Blendo Glass which is a frosted & clear glass- see picture below, comes in several different colors

- Candlewick- several pieces of this does better than lotting it individually- reference picture below

- Cambridge Glass
- Vintage glassware with etched designs
- Decanter sets
- Ruby glassware included Avon Cape Cod usually sells well in groups
- Cobalt Blue glassware sells well in groups
- Belleek- This usually does better in small groupings with a few pieces of it
- Murano & other art glass pieces
- Hazel-Atlas
- Heisey Glass
- Westmoreland
- Milk glass in groupings
